

Events Within Salesforce

This will get you to the Event listings within Salesforce.

[image1620677883055.png](#)
Image not found or type unknown

From this page, you can see a listing of events, their Start and End dates, the status of particular events within Salesforce, each event's URL, and who created the Event within Salesforce.

Note: This might not be the screen you see when you arrive at the Events page.

You can choose to adjust the view by clicking the arrow and choosing from the dropdown menu.
